

WOLF BUCKS

**PTSA's HASSLE FREE FUNDRAISER!
ONE and DONE!**

Wolf Bucks is a no-hassle, 100% tax deductible contribution – and 100% of your money goes to the PTSA to support our school.

By participating, you can be done with PTSA Fundraisers for the entire year!

This program simply lets you live guilt-free from PTSA fundraisers. We do still need your involvement in the PTSA, and we encourage you to join the PTSA to help determine where our fundraising dollars are spent. Fundraising does not replace our need for volunteers and donations for things like socials, giving tree, book fairs, and staff appreciation events.

Wolf Bucks will be used to fund programs that are not in the school district budget. It takes approximately \$35 PER STUDENT per year to reach PTSA program goals.

- I LOVE the idea of the **Wolf Bucks!** I'll gladly give **\$35** to not have to participate in PTSA fundraisers for the rest of the year.
- I have been waiting for something like **Wolf Bucks** to come along! Please accept this donation of \$_____

Wolf Bucks Contributors: Because it is difficult to control what comes home with your child, you may continue to receive fundraising information/packets throughout the year. Take pride in knowing you've already contributed and happily place any PTSA fundraising forms in the recycling bin.

Attention 8th Grade Parents: this does NOT include fundraising for the 8th grade end of year party.
